Old Business

Discussion – Grant opportunities for funding the updated aquifer model. President Scheidt reported that the Kootenai County Aquifer Protection District recommended a \$30,000 grant approved by the Kootenai Board of County Commissioners to support Phase 1 of the project. IWAC is also planning to apply for an IDEQ Source Water Protection Grant.

New Business

Aquifer Model Update - Draft Request for Proposals (RFP) President Scheidt presented data gathered to date pertaining to the development of an RFP for phase 1. IWAC members agreed to narrow the scope of the update to reflect purveyor wells drawing from the RPA portion of the SVRPA as SAJB was completing a similar update of Spokane County purveyor wells. President Scheidt reported that SAJB is willing to share the final Model-USG produced for this effort with IWAC. President Scheidt presented the SAJB project scope and asked IWAC members to review and be prepared to discuss at the June 11th meeting. President Scheidt also presented a letter received by Michelle Richman, IDWR regarding the model update.

IWAC Administrative Assistant Position – Succession Planning and Job Description – Tonilee Hanson is retiring on 12/15/24. IWAC Members began initial planning discussion for a successor to this position. It was decided the topic be included under Old Business at the June 11th meeting.

Updates Around the Table – Both Dan Kegley and Rob Lindsay plan to retire in 2024. Their support and guidance over the years have been vital to IWAC's success and we hope they stay involved as much as possible.
